SCIENTIFIC DISSEMINATION CONTEST

On the occasion of the XII Biomedical Research Congress (CIB 2024), celebrated on 7th, 8th and 9th February 2024, the Contests Committee is glad to present the **Scientific Dissemination Contest of the XII Biomedical Research Congress (CIB 2024)**.

The main aim of this contest is to promote the participation of students involved in any scientific field by means of the presentation of scientific dissemination videos based on current relevant topics. The theme of the video will be the area of biomedical knowledge.

Here you will find all the information you need to know in order to participate in the contest. The period for the submission of your works for the XII Biomedical Research Congress (CIB 2024) opens from the moment of publication of these bases.

RULES

1. Scientific videos presented to the contest could be done **individually** or **in group**.
2. It is a requirement to be over 16 years old and to be a student of science-related studies, including High School, VET, University Degree and Master.
3. Each student can only present **one scientific video**. However, he/she will be able to be co-author from more than one.
4. The author should notify the committee if there is any conflict of interest.
5. Works presented will focus on **biomedical research**.
6. Videos will be assessed based on the following criteria:
 - a. *Relevance and originality*

Contest Committee CIB 2024 concursos@cibvalencia.com

- b. Methodology and scientific quality*
 - c. Synthesis and clarity*
 - d. Appearance*
7. The videos will be classified into two main categories: VET Medium Grade + High School and VET Higher Grade + University Degree + Master, being in the latter an indispensable requirement to be enrolled in the congress.
8. Scientific videos can be carried out in **Spanish, Catalan or English**. However, the abstract can only be in Spanish and/or English.

VIDEO PRESENTATION

1. Each video will include:
 - *Title*
 - *Authors*
 - *Introduction*
 - *Developing*
 - *Conclusions / Discussion*
 - *References*
 - *Graphics and pictures (if necessary)*
2. The video has to be sent in .MOV, .MPEG4, .MP4, .AVI, .WMV, .MPEGPS or .FLV format.
3. The recommended duration time for the video is **2-5 minutes**. Excess time will be penalized by the Jury.
4. **Previous to the video presentation**, it will be necessary to send an abstract to the Contests Committee through this email (concursos@cibvalencia.com).
5. The poster must include the CIB 2024 **logo**, as well as the date of the event. Such logo will be facilitated by the Committee once the abstract has been sent and accepted.
6. All presented works (video, abstract and bibliography) will be posted on the **CIB Youtube Channel**, and therefore it will be essential to accept the distribution of the video through social networks.

HOW TO SEND YOUR ABSTRACT?

It is necessary to send an abstract to the Contests Committee **before 28th January 2024**, using the template available in our website and in **.doc** format. The e-mail address is:

concursos@cibvalencia.com

The Organizing Committee will evaluate the abstracts and decide whether the works are accepted, based on their scientific quality. In case of doubt, the Jury will be contacted, and they will take the last decision.

Abstracts will have to fulfill the next conditions:

1. Global extension: no more than 500 words (not including title, authors and bibliography) with simple spacing, up and down 2,5 cm margins and right and left 3 cm margins.
2. Title: Times New Roman 12, at the center, in capital letters, bold and underlined type.
3. Authors: author's name in Times New Roman 10, italics and on the left of the page (flush left). They also must indicate the Medical School or Institution where they come from using the same format on the line below.
4. Bibliography: APA type. No more than 4 bibliographic references.

Authors will have a reference **model in .doc format** at the webpage of the congress (www.cibvalencia.es) which will be able to download and fill in order to make the composition of the abstract easier.

SCIENTIFIC JURY

Jury will be composed of the **Members of the following Departments and Departmental Sections**: *Physiology; Biochemistry and Molecular biology; Pharmacology; Microbiology; Pathology; Anatomy and Embryology; Preventive Medicine and Public Health; Medicine; Surgery; stomatology; History of the Science and Documentation; Pediatrics; Gynecology and Obstetrics; Statistics and Operative Investigation* or by teachers/investigators delegated by them.

In this jury we will also count with experts in scientific dissemination with previous experience in contests and scientific monologues events. The definitive composition of the Jury will be **published** on the web before the end of the inscription period.

- There will be a President of the Jury.
- Jury decisions will be final.

Contest Committee CIB 2024 concursos@cibvalencia.com

- In case of any contingency not provided for the rules of the competition, the Jury President will have the power to solve it.
- *Jury members with conflict of interests with anyone of the speakers won't evaluate him / her. Conflict of interests will be evaluated with a formulary. Likewise, if during the evaluation of the works a conflict of interests is found between any participant and any Jury member, the Organizing Committee of the XII Biomedical Research Congress reserves its right to eliminate the mark granted by that Jury member.*
- Jury's decision will be public in the Closing Ceremony, 9th February and on the website as well.

Jury will **assess the videos with a standardized formulary** which will give a score, depending on the specified criteria. Higher punctuations will obtain the corresponding prizes. In case of a draw, to establish the winner for the 1st prize, the Jury will vote again between the conflicting videos. In case of persistent draw, the President of the Jury will choose the best one.
